Ladies' League News for October 2017

The Oneota Ladies' League 2017 season ended on September 19. There were forty-four (44) women who participated in league this year. Along with a variety of weekly events, we had three best shots with clinics, "Play for Pink", and the club championship. If you won an event or a flag event, your pro shop credit, must be used by the end of October.

Tuesdays were the days for a hole in one! Three league members did it! Peggy Lensing on number 13, Pat Huinker on number 11 and most recently Linda Hess on number 11. Congratulations ladies!

A big **"thank you"** to Todd and Morgan for all their help with our events. Their help makes being a committee member easy.

"Thank you" also to Randy and the grounds crew for making our special events possible.

A special thank you to the cookie bakers! We all appreciate the treats on the number 6 tee box!

We are looking for new committee members for next year. Amy Knoke and Kim Holthaus will be leaving the committee. If you are interested in joining the sports committee please contact a current member or let Todd or Morgan know. If you have any suggestions for next season please contact a committee member.

League awards will be presented on Tuesday, October 3, 2017.
